Caring for Our Community

A two-day program to enhance the role, knowledge and practice of Aboriginal and Torres Strait Islander Health Workers in cancer care, prevention, screening and early detection, and end of life care.

When: February 27-28, 2018
Where: Red Cross Wellbeing Centre – Pat Gosper Place
Cnr Lake and Grove St, Cairns

Topics include

- What is cancer?
- End of life, palliative care, death and dying.
- Cancer screening, early detection and prevention.

Participants

The course is for Aboriginal and Torres Strait Islander people working in the health field. Male and female health workers are encouraged to apply. Participants will need to arrange leave with their employer to attend the course.

Cost

The course is provided at no cost. Applicants are encouraged to apply for financial assistance (bursary) to assist in covering travel and accommodation costs to attend the course.

Registration

Please complete the registration and bursary form by Tuesday, February 20, 2018 at:
