

Cancer
Council
Queensland

1 in 2 Queenslanders
will be diagnosed
with cancer
by the age of 85.

If you could help
would you?

Workplace Giving is a simple and tax-effective way for you to donate to Cancer Council Queensland through a regular payroll deduction.

For as little as a \$1 a day, you can help us transport a cancer patient to life-saving treatment.

Let's work together towards a cancer free future.

**By 2040
1.9 million
Australians
will have a personal
history of cancer.**

**Will you help us to
reduce this number?**

Workplace Giving is a simple and tax-effective way for you to donate to Cancer Council Queensland through a regular payroll deduction.

For as little as a \$1 dollar a day, you can help world-class researchers discover the next cancer breakthrough.

Let's work together towards a cancer free future.
