

A program for all health professionals and health workers with an interest in sexuality and relationships after a cancer diagnosis

Sexuality, body image and cancer

This program will provide an overview of sexuality, body image and the challenges associated in relation to a cancer diagnosis, during and after treatment. Participants will learn strategies that will assist them to develop confidence when discussing effects of cancer treatment on sexual function.

The session will also equip participants with knowledge of appropriate information and support services.

Topics will include:

- Sexuality, body image and cancer
- Cancer Council Queensland support services

When:

Wednesday, 17 October 2018

Time:

5:30 pm – 7:00 pm

Where:

Conference Room, Cancer Council Queensland, 24 Warburton Street, North Ward

Speakers:

- Sylvia Burns, Nurse Counsellor, Cancer Council Queensland
- Anthea Skinner, Coordinator, Cancer Support, Cancer Council Queensland

Getting Here: Free parking in Landsborough Street
