

Caring for Our Community

A two-day program to enhance the role, knowledge and practice of Aboriginal and Torres Strait Islander Health Workers in cancer care, prevention, screening and early detection, and end of life care.

When: 3rd and 4th June, 2019
Where: Cunnamulla Primary Health Care Centre
26 – 28 John Street, Cunnamulla

Topics include

- What is cancer?
- End of life, palliative care, death and dying
- Cancer screening, early detection and prevention

Participants

The course is for Aboriginal and Torres Strait Islander health workers and other professionals working with Aboriginal and Torres Strait Islander people in the health field. Male and female health workers are encouraged to apply. Participants will need to arrange leave with their employer to attend the course.

Cost

The course is provided at no cost.

Registration
