

Coping with hair loss

Dealing with hair loss as a result of cancer treatment is a very individual experience. Knowing your options can help you work out what's right for you. Join this free online session for people affected by cancer, their families and friends to hear about headwear options and our support services.

Date: 22 July 2021

Event Time: 10am-11am

Location: Online webinar – join via your computer, tablet or smartphone

Topics and Speakers from Cancer Council Queensland:

- Accessing headwear – Jayne Mason-Johnson, Peer Support and Community Programs
- Understanding hair loss – Dawn Bedwell, 131120 Support and Information
- The emotional impact of hair loss – Lucy Bailey, Cancer Counselling Service

RSVP: Please RSVP your attendance no later than 20 July 2021.
